

Before an individual insurance producer can sell insurance in Kansas, you must secure a company certification. An appointment is required by each company for which you sell, solicit, or negotiate insurance in Kansas. For questions see information on appointments at the Department's website at [insurance.kansas.gov/company-appointment/](http://insurance.kansas.gov/company-appointment/).

The named licensee is required to keep a current email address on file with the Kansas Insurance Department. In addition, in accordance with K.S.A. 40-4905 you shall remain in compliance by reporting home and mailing address changes, name changes, email address changes, regulatory actions, termination for cause, actions taken against a license in another state and new convictions, within 30 days of the occurrence, to the Department. See the Department's website at [insurance.kansas.gov](http://insurance.kansas.gov) for details on how to update your information through [nipr.com](http://nipr.com).

For information on Continuing Education requirements and license renewals, see the Kansas Department of Insurance's website for details. If you have questions regarding your Kansas Insurance License, call the Licensing Division at 785-296-7862, or email the department at [kdoi.licensing@ks.gov](mailto:kdoi.licensing@ks.gov).
